The podcast is going on a road tour called "Professionals of the Highway Tour." Think of a band going on tour and it will give you an idea of the type of tour we are planning. We will be traveling to different areas of Ontario and Quebec talking with truck drivers and other industry professionals about what they like about the industry, their careers, and what they would want the public to know about the industry. We will be featuring drivers and their trucks, doing live interviews, giving away swag, and much more.

Tour Sponsors Include:
